Hebrew: 11th Chapter

## A MAN DOING IT GOD'S WAY

On June 9, 1972, Reverend C. Jim Holley was elected pastor of Little Rock Baptist Church. He was truly sent to minister and not be ministered unto. This he has proven.

**In these three years, he has, with faith in God, and a dedicated congregation, accomplished monumental tasks.**

But this is only the beginning. Adhering to the theme: **"Men Who Did It God's Way,"** he has set for himself a seven year projection of total ministry, education, recreation, economics, and worship sanctuary. He says we are **"the church that is intercepting the future now."**

Only a man of his stature, willing to do it God's way, will succeed.
