

UNITARIAN UNIVERSALIST FELLOWSHIP OF LONG BEACH, CALIFORNIA
UUA 1962 · "to advocate and practice a universal religion"

MEETING DATE AND TIME: Saturday, May 25, 1985 - 8:30 PM

PLACE: Home of Edla Eliassen
2429 E. 4th St.
Long Beach, CA Phone 433-3961

SPEAKER: Mr. Ron Wilkins "Unity in Action"

TOPIC: "Apartheid in South Africa" - "The USA Response on the Divesture and the Cultural Boycott"

May 25th has been designated as "African Liberation Day", a very appropriate time to discuss this most current Civil Rights issue.

Unity in Action has several active Task Forces each concerning itself with a specific objective, namely to end apartheid. Ron Wilkins has been active in three of these, namely those relating to investments, the Cultural Boycott, and the picketing of the South African Consulate.

He will give us a background on "why the rebellion" in South Africa and will also show a film entitled "Generations of Resistance" dealing with apartheid and the problems it has created.

Ron, a very dynamic speaker, will comment on the film, after which an informative question and answer period will follow.

This presents an excellent opportunity to become more knowledgeable on this vital issue than some of the "simplistics" put out by the media. Be prepared for an exciting program and the usual good refreshments.

LAST MEETING . . . The discussion by John Van der Lans, the Long Beach City Prosecutor about our local criminal justice issues was interesting and informative - some of the subjects covered was the local drug scene, the Gay Community, problems concerning Asiatics and Hispanics. The non-attenders missed a good meeting.

COMING ATTRACTIONS: June 16th will be Dr. Ted Forrester, Professor of Physics & Electrical Engineering, UCLA, whose subject will be "The Hazards of the Star Wars Concept".

BOARD NEWS: The fellowship sent \$100 to the Beth Doerr Memorial Fund (Aid to Students at City College (BTD)).

Newly elected members of the Fellowship Board will be installed at the Summer Party on June 29th.

We received an honorary certificate from the Long Beach Food Bank for our contribution.

The next Board meets on Monday, June 3.

Esther Braudo is very ill and confined to her home. She would appreciate hearing from you all.

Truth has no special time of its own. Its hour is now - always.
