

DAY OF WITHDRAWAL AND RALLY

AT SEATTLE FIRST BANK
1001 4th AVE. 4-6 PM
FRIDAY MAY 25th
AFRICAN LIBERATION DAY

Seattle Committee to Oppose Bank Loans to South Africa is organizing a day of withdrawal of money from Seattle First National Bank, because the bank has refused to adopt a policy of making no loans to South Africa. If you, or organizations you are in, have money in Seattle First, please talk about withdrawing it. The committee needs to know if you are withdrawing your money so that we can make it clear to Seattle First that you are part of an organized effort to end loans to South Africa. Since Rainier and Peoples banks also loan money to South Africa, please do not put your withdrawn money into either of these banks.
