The Capital District Coalition Against Apartheid and Racism

Agenda:
The June meeting will include an update on N.Y.S. divestment actions and plans for summer anti-apartheid work. Cultural boycott activities will be planned at this meeting. Lots of work - lots of help needed.

Tasks to be done:
- Whether you plan on attending or not
- Posters to be made
- Car pools to be set up
- Black armbands to be made
- Phone calling
- A successful protest needs to be well organized - the organization will be planned at the June meeting - ATTEND

Enjoy JAZZ at SPAC
Miles Davis and Patti LaBelle and others.

Plan to attend the JAZZ FESTIVAL.
Buy your ticket.
Enjoy the show... and help stage a massive walkout on Chick Corea when he comes on.

We need to identify help - gates, grounds - for an effective demonstration.

Demonstration:
Chick Corea is a hard target. He has consistently undermined the anti-apartheid movement and the cultural boycott. He has voiced the opinion that "the anti-apartheid movement cannot tell him what to do." (But we can show him what we can do!)

Do You Remember This Man?
