AFRICA Resources for Education & Action

This Third World Resources guide includes information on organizations whose *primary* concerns are the nations and people of the African continent. For information on organizations for whom this region is one among many concerns, see the other resource directories and guides compiled and published by Third World Resources.

This Africa guide is divided into four regional sections: Africa (general), North and West Africa, East and Central Africa, and Southern Africa. Organizations in each section are grouped according to their location and—in the case of Southern Africa—by their country focus.

The back page of the guide offers information on: (1) other directories and guides on Africa; (2) educational centers; (3) periodicals; and (4) films, videos, and other audiovisual resources.

The staff of Third World Resources is willing to respond to requests for recommended resources for specific needs. Call: (415) 835-4692, or write: 464 19th Street, Oakland, CA 94612-9761 USA. E-mail: 'tfenton' on PeaceNet; 'cdp!tfenton' on Geo2.
