

Demolition Rally

Monday Nov 24th, 2pm

Shanty Town ,

Bachman Lawn

In glorious victory the Shanty Town will be removed in good faith on the honor of the BORs agreement of total and complete divestment as per the following demands:

1. That Divestment will be full and complete by Jan. 28, 1987.
2. That the divestment will be from companies like GM. ,Coca Cola , and IBM that practice pseudo divestment .

By taking down the Shanties, we by no means are ending the struggle for divestment. If these demands are not met then the BOR will answer to the Coalition again.
