Dear South African Council of Churches,

My name is ______________________. I am participating in the South African Political Prisoner Bracelet Program being conducted by International Possibilities Unlimited (IPU) in the United States. The program involves people wearing a bracelet that bears the name of a political prisoner currently serving a life sentence in South Africa. We wear the bracelet continuously until our person is released. The person whose bracelet I am wearing is ______________________. I am writing to ______________________ to let him know that there are people outside of South Africa who care about him, and the plight of all the other political prisoners. I understand that it is difficult to get mail directly to him, but that your organization can see to it that his family gets my letters. I would appreciate if you can get the letter enclosed to his family. Thank you so much for your assistance in this regard.
