BOYCOTT SHELL!

**Join the
picketline**

**SATURDAY, OCTOBER 21
11 AM until 2 PM**

**at the SHELL GAS STATION on
South Lake Park between 51st & 53rd**

In South Africa the Defiance Campaign continues to desegregate apartheid facilities, such as hospitals, workplaces and beaches. Through the sheer force of courage and with massive numbers of people, the Campaign continues to force Pres. DeKlerk's hand.

The unions and anti-apartheid movement in South Africa ask US to turn up the heat on SHELL and other international corporations to end their support of apartheid and withdraw from South Africa now.

Join the picketline on October 21 near the University of Chicago. The U of C has never divested its holding in those companies that do business with apartheid. The picketline is aimed at Shell as well as garnering more support in the U of C's backyard.
