While Gulf preferred credit card users are being given the opportunity to join the Gulf Travel Club, Inc., the Gulf Boycott Coalition urges its members to send for the Gulf Boycott Vacation Idea Kit. Enclosed is a flyer describing a new kit available for helping GBC members and friends in planning their summer activities. Send for your kit today. Also send for additional flyers so you can advertise the kit in your groups or on bulletin boards where you work or go to school. Write and tell us how much mileage you get on your BOYCOTT GULF ear windowsticker this summer! Or let us know what unique and far away places you've found for minipers.

Another organizing trip is in the works for the end of this month--this time across the border to Canada. People and groups in Toronto, Ottawa, and Montreal will be getting together with us to pool information and plan further activities. Contact us right away if you want to be involved.

The month of June will see Bill Cox, public relations person for Gulf, visiting Angola. Early plans included the possibilities of taking a Black Gulf employee with him. Also going on the trip will be a woman stockholder. She has been asking many questions of Gulf executives since learning about the issues which GBC has raised at the past two stockholders meetings.

Through some unknown person's good graces the GBC monthly newsletter has been donated to the Library of Congress for its permanent records. We wonder what our LC number is!

We welcome the following persons to the Gulf Boycott Coalition Advisory Board: Congressman Charles C. Diggs, Jr., Michigan; Miss Maggie Kuhn, leader, Gray Panthers; Dr. Joseph Fletcher, Professor of Medical Ethics, University of Virginia, School of Medicine, author of Situation Ethics; Dr. Harvey Cox, Harvard theologian, author of The Secular City; Mrs. Dorothy R. Stoffens, Executive Director, W.I.L.P.F.; Dr. James H. Cone, Union Theological Seminary, Black Theology and Liberation.

The Gulf Boycott Coalition has its own phone number which is to be used during the day—(513) 274-6697. If no answer, call (513) 276-4077 and leave a message on the recording. We will return the call.

Check the enclosed order sheet for new prices. The maximum order at volunteer printer rates is 250 pieces. Larger orders are 10% per piece plus average postage costs. The larger orders are professionally printed and of really good quality.
