Give a gift to FRELIMO this INDEPENDENCE YEAR!
CCLAMG is raising funds for FRELIMO - the Mozambique Liberation Front. After 10 years of armed struggle, FRELIMO's victories have brought radical changes in Mozambique. FRELIMO is now the leading force in a Transitional Government, and full independence will be celebrated on June 25, 1975. An important part of the struggle now is the political educational and mobilization of 7 million Mozambicans, many of whom have not been previously involved in the liberation movement. The consolidation of the victories the Mozambican people have won is essential in face of imperialist efforts to subvert true independence. FRELIMO has requested financial gifts from progressive friends all over the world.
