EMERGENCY ALERT

Dear Friend,

The Dennis Brutus Case has reached a crucial stage. The Dennis Brutus Defense Committee is appealing for your support.

After a protracted and expensive fight, this distinguished South African scholar and activist faces the possibility of being deported from this country.

His life would be seriously imperiled if he were to be deported because of his consistent and outspoken criticism of the hideous South African apartheid system.

The South African government has labelled Dr. Dennis Brutus as being one of the ten most dangerous enemies of the apartheid system living outside South Africa, and apartheid's tentacles reach far beyond its physical borders.

Dr. Dennis Brutus' hearing for political asylum in the U.S. is expected to take place in July. It will be a costly hearing to which experts from all over the country will be called upon to testify on his behalf and put apartheid on trial.

The money you give can save Dr. Brutus' life!

All contributions are tax deductible. Checks should be made out as follows: "DBDC/Capp Street Foundation" and mailed to the DBDC, P.O. Box 59364, Chicago, IL 60659.

We have a moral duty to save Dennis Brutus and we call on you to help.

Sincerely yours,

Jan Carew
