

LIBERATION in GUINE-BISSAU

P.A.I.G.C. (African Party for the Independence of Guinea and the Cape Verde Islands) is waging a successful struggle for independence from Portuguese colonialism in Guine-Bissau.

GIL FERNANDEZ

REPRESENTATIVE OF P.A.I.G.C. to the U.S.
and the U.N. WILL SPEAK IN CHICAGO
WEDNESDAY, APRIL 19.

APRIL 19, 8:00 P.M.
WELLINGTON CHURCH

615 W. Wellington (parking in Dominick's Food Store parking lot)

AMILCAR CABRAL, SECRETARY GENERAL OF P.A.I.G.C., SAID IN JUNE OF 1970,

...TODAY WE DO NOT ASK THE PORTUGUESE GOVERNMENT TO RECOGNIZE OUR RIGHT TO SELF-DETERMINATION ANY MORE THAN WE ASK IT TO GRANT US AUTONOMY OR INDEPENDENCE, FOR WE HAVE BEEN PRACTICING THIS SELF-DETERMINATION FOR A LONG TIME ALREADY AND WE ARE AUTONOMOUS, INDEPENDENT AND SOVEREIGN ON THE OVERWHELMINGLY LARGER PART OF OUR NATIONAL TERRITORY.

Soon the people of Guine will celebrate their success by holding their first national elections!
