

1. Update on events in Angola: reports that So.Africa has invaded Angola in conj. with UNITA and FNLA,taken a town formerly held by MPLA(no one saw papers or heard radio broadcasts on this--should look for articles); also, \$19 million 'emergency' bill for military aid to Zaire now before Congress--needs to be opposed; EH reported on new MPLA Solidarity Comm. formed in NY to collect, disseminate weekly packets of info on situation in Angola, as long as necessary Action decided on! In publicity sent out to our mailing list re Day of Solidarity with MPLA, we will send out an "Angolan Alert" giving up-to-date info on situation & bills before Congress, & suggestions of what people can do concerning all this(CC will draw up). Will, in this mailing, announce we plan to send out such "alerts" regularly and, if they wish to receive them, should send a donation to cover postage.~~Was decided we~~ (Even if not all send donations, feel we should continue to distribute summary of info we will be receiving from NYC, especially to groups and a few selected individuals--can decide later.) (2) Decided to send \$25 to NY group as donation to further their work.
2. International Day of Solidarity: Groups to be invited included CASA,PSP,Angry, AASC,NWRC,Zimbabwean students(Moses),Philippino group, good ISA group, and Eritreans.(Question raised re inviting Eritreans, esp. given division of opinion at last meeting: some felt question of our supporting their program is a separate issue from their supporting our program and MPLA; others felt we were raising our cooperation with them to a significantly higher level without any increase in our knowledge or any consensus. Decided: to do more formal study of Eritrea, at a session to be decided on at next meeting.) All groups contacted(except for Philipinos,ISA,Zimbabwe students). Meeting is at 4 PM, Sunday, Nov. 2 at NWRC. EH will chair; EH and CC will split overall responsible functions for Day of Solidarity.

Decided that,once meeting is held & program ^{by participating groups} for 22nd set, we should seek to actively involve individuals(those interested in CCLAMG or close to CCLAMG) in participating in putting on the Day.(e.g. Rochele D.,Ron P.,Virginia K., David Johnston,Harold Charles, Gabe, etc.)

RH will call PRHigh Sch. & Humboldt Civic Center & Central YMCA Coll. re space for event;SS will inquire re Come Back,Africa; EH looking into Tanzam Railroad film; Sambizamga & End of a Dialogue available, as is Luta. Publicity will have to be gotten out next week, so Sunday mtg should outline:

*Time *Place *Sponsorship *Films * Panel *Cultural program(specific commitments from cultural groups).

Panel: would be like program at the store but with increased tie-ins to US & updated.

Slide show: RH & SS will work on rewriting script for slide show.

CCLAMG has taken on 2 responsibilities: (1) Designing leaflet relating ~~to~~ Gary to worker conditions in So.Africa/corporate investments(RH & CS); (2) updating Partners in Apartheid slide show, inserting pictures & info on Gary(CC & EH). 4. Panel on Spain/Portugal/Angola: To be held Nov. 15 from 1 PM on; will be a film, panel and workshops. We had been asked (and agreed) to speak on the panel; also asked to do a workshop on Angola. Speaking on panel will be a Basque student, Lincoln Brigadista, someone from CP, YAWF, _____. No groups would be asked to formally endorse the forum. Decided people should bring stuff (ideas, info, etc.) to next CCLAMG mtg (Nov. 12); there would be a meeting Thursday, Nov. 13 to finalize plans for panel presentation & workshop. CC will type up notes on Port./Angola connection from Africasie articles; RH will help with workshop; SS has the balls for speaking on panel, unless someone decides they want to. All ~~people~~ should bring material re update.
5. CCLAMG asked to send rep to Puerto Rico to PSP Congress; RH has best possibility of going, given his teaching schedule; could go for longer tour as well. (CS could go for shorter trip; cd be back-up person.)
6. Treasurer's Report: Decided we would merge all material aid funds into one movement fund in the future. Decided to send \$25 to NY MPLA group
\$350 to MPLA via RH
\$100 to PAIGC via RH
(CC will call Caron on this, find out who check to go to; that buttons are sent in our name as well.)
\$125 to Canada for OMA buttons
7. Recruitment --postponed discussion, but several people interested in CCLAMG. Decided we should commit ourselves to involving them in Solidarity Day work; need fuller discussion of levels of membership, security, other issues raised at Sept. advance in near future.
8. Stephanie Urdang visit : If someone else takes responsibility for coordinating her speaking, getting \$\$, we can help in ad hoc manner after Nov. 11; otherwise, reconsider after Nov. 22.
9. Last Grave @ Dimbaza showing on TV: ask people to call in asking that film be shown again (it will be Sunday @ 1:30 PM), but protesting no black South African involved in panel afterwards. Also, should inquire abt video of film.
10. Zimbabwe program with ZANLA woman : Heard from Health Clinic people that ZANU students sponsoring a program, want us to sponsor it; unable yet to reach Moses. Decided we would not sponsor (no consensus on support for ZANU yet within CCLAMG) but would support via publicizing in our mailing on Solidarity Day, urging people to go. (Also, try to get to speak at NWRC course) Possibly, we might meet with her separately as group, too.
11. Madison Conference: Decided we wanted to belong to coalition; that should only nominate selves for Steering Comm. if someone willing to take that on. CC will xerox list of projects ~~to~~ to see if there are some we'd want to work on. Will discuss at work night on Nov. 5 as responses have to be in by Nov. 10.
