Peace in Southern Africa

INTERNAL SETTLEMENTS?

Lance Bell

member of the Pontiac Prisoners' Organization, involved in the struggle for prisoners' rights, will speak on the larger meaning of these attempts by the U.S. and other western countries to impose their "solutions" on the people of Southern Africa, and on how our support of the people in Southern Africa can be linked to support of struggles for freedom at home.

Ronelle Musin

member of the National Anti-Imperialist Movement in Solidarity with African Liberation, will speak on recent developments in South Africa and on the attempts to give so-called "independence" to Bantustans.

Deb Brewster Ferrenz

member of the Chicago Committee for African Liberation, will speak on the specific provisions of the "internal settlements" for Zimbabwe and Namibia that deny meaningful independence.
