WHAT IS HAPPENING INSIDE SOUTH AFRICA?

* 16% of the population (the whites) own 87% of the land; the white/black wage gap is widening
* continued forced relocation of thousands of blacks to remote reservations where half the babies die before their first birthday
* intensified enforcement of Apartheid as more than 250,000 blacks are arrested every year for passbook violations and South Africa's execution rate becomes the highest in the world
* the Muldergate scandal, revealing secret government funding of over $75 million to subvert newspapers and the US election process (including funding a campaign that defeated Senator Dick Clark (D-Iowa) because of his strong anti-Apartheid positions)

HOW DOES CONTINENTAL BANK SUPPORT APARTHEID?

* it is lending at least $75 million to South African government agencies
* it finances US corporate investments in South Africa; some corporations there include:
  - IBM, which provides computers used to enforce Apartheid
  - GM, Ford and Chrysler, which account for 17% of all US investment in South Africa and supply vehicles to the South African military and police
  - Mobil, Caltex and Exxon, which supply more than 50% of South Africa's oil
* represented on its board of directors are some of the largest US investors in South Africa, such as: IBM, John Deere, FMC and International Harvester
* it distributes the South African gold coin, the Krugerrand, to dealers throughout Illinois, thereby raising funds directly for the South African government

HOW YOUR MONEY SUPPORTS RACISM

In 1976, US banks had $2.2 billion in loans outstanding to South Africa. On
