The Africa Fund (associated with ACOA) aids the health, educational and agricultural programs of Africans struggling for independence, and provides legal and humanitarian aid to the victims of apartheid and colonialism. The Fund conducts research, publishes and distributes resources on southern Africa.

The American Committee on Africa (ACOA), founded in 1953, is devoted to supporting the African people in their struggle for independence. ACOA programs and projects inform and mobilize Americans to work for policies which support African freedom.
