REVIEW OF ACCOMPLISHMENTS
AND
CALL FOR FUTURE ACTION

In the coming year CU-CAA will intensify its work against the racist system of apartheid both on campus and in the community. Future actions will be built upon those of the past. We intend to:

ACT TO BUILD AWARENESS AND UNDERSTANDING OF THE SITUATION IN SOUTHERN AFRICA

What we have done with your help in previous months—

1. We have brought speakers, such as Elizabeth Sibeko and Moyo, to assist in building awareness and understanding of the struggle in southern Africa.

2. We have appeared on WICD-TV, on WFGU and on WILL to help inform the student body and community of the situation in southern Africa.

3. We have continually used the local newspapers and the DI to build sensitivity to the southern Africa problem.

4. We have prepared pamphlets informing our fellow students of the character of minority rule in southern Africa.

5. We have brought films such as Six Days in Soweto to demonstrate the consequences of South African racism.

6. We have distributed thousands of leaflets describing the situation in southern Africa.

7. We have visited dorms and held informational meetings to acquaint others of the need to act.

8. We have prepared numerous posters, T-shirts and arm-bands to publicize the need to cut university support for apartheid and to be sensitive to the plight of the people of southern Africa.
What we will do with your help in coming months-

- We will expand our efforts to provide informational pamphlets, to bring films, to visit dorms, to publicize the serious problem in southern Africa.

- We will renew our efforts to argue the case for an end to university complicity in apartheid through the pages of newspapers, over radio and television.

- We will develop new methods of building awareness such as through study groups, a system of dorm representatives, etc.

ACT TO ASSIST THE MAJORITY OF SOUTH AFRICANS IN THEIR STRUGGLE AGAINST RACISM AND APARTHEID-

ACT TO ELIMINATE REMAINING UNIVERSITY AND COMMUNITY SUPPORT FOR RACISM AND APARTHEID-
