SISTER COMMUNITY PROJECT
AGREEMENT

This is an agreement between Clergy and Laity Concerned of Chicago (henceforth referred to as CALC) and the United States-South Africa Sister Community Project (henceforth referred to as USSASCP).

USSASCP hereby contracts with Ron Freund of CALC to perform the organizing work necessary to link Chicago with Thornhill in South Africa. USSASCP will pay a total of $500 a month for three months, although this agreement will be reviewed at the end of one month and renegotiated if necessary. The contract may be extended after three months depending on the status of the project in Chicago and funding availability.

Payment will be made at the end of each month, except for the first month, when payment will be rendered in advance.

Responsibilities include:

1. Working with city officials, including aldermen and the mayor's office, to establish a formal linkage with Thornhill.

2. Organizing a press conference to announce the formation of the linkage, including a telephone hook up with residents of Thornhill if feasible.

3. Contacting religious groups and activists to involve them in the project, and developing a group that will work on the project on an ongoing basis to organize church services, letter writing campaigns, legislative actions, or other appropriate responses.

4. Staying in close touch with the community representatives in South Africa, and the Grahamstown Rural Committee, to ensure that actions undertaken in the United States have the full approval of Thornhill residents and complement strategies taken there.

CALC will also keep the USSASCP fully informed of any actions taken.
