

ACTION AGAINST APARTHEID

WHY WE PROTEST

WE ARE MARCHING TODAY IN PROTEST AGAINST SOUTH AFRICAN-AMERICAN TRADE.

International trade & investments keep South Africa going.
International trade & investments make racism possible.
International trade & investments reap enormous profits from the labor of non-whites.

U. S. imports from South Africa total more than \$200,000,000 a year.

These include:

- wool
- diamonds
- copper
- lobsters
- manganese

Africans in South Africa do not have the right:

- to vote
- to live where they please
- to work where they please
- to move where they please
- to write what they please
- to decent wages
- to a decent education
- to form trade unions
- to protest the law of the land.

But non-whites are forced by law to work in the white man's mines, factories & farms.

-
- WE DEMAND THAT PRESIDENT KENNEDY: . Direct the U.S. Mission to the UN to support resolutions and sanctions against South Africa;
- . Place an embargo on American trade with South Africa
 - . Suspend recognition of the South African Government until such time as it represents all South Africa
