STATES, COUNTIES AND CITIES THAT HAVE TAKEN ECONOMIC ACTION AGAINST APARTHEID

State and Local Action on Apartheid

To date 23 states, 19 counties and 79 cities and the Virgin Islands have taken economic action against apartheid (or South Africa). These "peoples' sanctions" have caused over 20 billion dollars to be divested from companies that do business in or with South Africa. A growing number of the above named bodies have adopted procedures regarding selective purchasing.
