Please supply the same information for any additional authors or editors.

1. Please provide a brief description of your manuscript, identifying your argument, methods, and sources.
2. In one or two sentences, what is the relevance of your manuscript?
3. Please include an annotated table of contents summarizing each chapter and indicating its contribution to the overall argument.
4. Who is the audience for this book? Please be specific and realistic.
5. What existing books do you consider “the competition”?
6. How long is the manuscript (please provide both a word count and a page count, estimated if the manuscript is not yet complete)?
7. How many illustrations do you want to include, and what kind (e.g., photographs, maps, charts, line drawings, etc.)? Will any of the illustrations need to be in color?
8. When will the completed manuscript be available?
9. Please indicate whether any subvention or grant funding is available to offset the cost of producing your book.
